Summer Holiday Homework

It has been wonderful to meet our new classes this week. We have had fun learning new names, playing some games and preparing some work for displays in our new classrooms.

Moving forward to September our new topic will be:-

Childhood

We wish you all a lovely holiday and look forward to seeing what tempts you from the list below. You can pick one of the below or complete all of them if you have time. We look forward to seeing what you have done when you return it in September. Enjoy.

- Use magazines, books and family photographs to find out how humans change as they grow. Look for people at different stages of life, including baby, toddler, child, teenager, adult and elderly. Draw a picture and write a sentence about each stage of human life.

- Speak to older members of your family to find out how their childhoods were similar to or different from yours. Ask them about a range of topics, such as toys, food, home and school. Draw pictures or write some sentences to record what they say.
- Write a list of the people in your family. How many people are there? Can you remember all their names? How are they related to you?
- Make an information poster about your family. Share your poster with someone in your family for feedback.
- Think of a special event in your family's history. Draw a picture to show what happened and write a sentence about it.

- Ask an adult to help you to find photographs of Tiptree and talk together about how the area has changed and what is different from how it looks now, including transport, shops, people and houses.

Please can we ask all children to bring to school in September their homework activities and also a photo of themselves as a baby and toddler. (Please bring named photo by 4th September)

Thank you for your support and we wish you all a very happy, safe and relaxing summer holiday.

Miss Bailey and Mrs Spicer
