

# St Luke's C. of E. Primary School Governing Body

know, love, serve; God, Ourselves and Others.

	<p><b><u>Stewart Eastbrook - Chair of Governors – Foundation DBE</u></b>            I have been a governor for 10 years and Chair of Governors since September 2016. I am a foundation governor which is appointed by the church, where I sing in the choir.            As a past pupil it's a privilege to be able to lead the governing body and see the positive changes that have occurred over the last few years.            I am a Detective Inspector with Essex Police working in Major Crime, my oldest daughter has now left St Luke's for Secondary School and my youngest Daughter is in Upper KS2.            In my spare time, I like to cycle, cook, and I play the piano.</p>		<p><b><u>Jim Wilsher - Co-opted Governor - Vice Chair</u></b>            Like most parents my life is very busy juggling work and my family. But I feel being a governor is a very good use of some of my spare time. My daughter started at St Luke's in 2016, and my son in 2020, both love the school. Being a governor gives me the opportunity to support the school and help them maintain their high standards. They do a lot for my children and I'm pleased to give back.</p>
	<p><b><u>Rev Anne-Marie Renshaw – Foundation (ex officio)</u></b>            I am the Rector of St Luke's Church Tiptree. I became a governor because - well, to be honest, it's part of my job! What I love most about being a governor is getting to know the school, its staff and children and working with others to improve our school so that every child can flourish and achieve their potential. My Hobbies include playing the clarinet and reading</p>		<p><b><u>Scarlett Lloyd - Foundation PCC</u></b>            My daughter started at St Luke's in September 2023 and is thoroughly enjoying her start to school. I am a Deputy Headteacher and SENCo so I have a good understanding of how schools are run. I love working with children and recognise the vital role education settings play in children's lives. I want the children to have the best possible education, to be happy, safe and to enjoy their time at school. I hope by being a governor I will be able to support the school to maintain high standards. I have a young family so I'm kept busy with work and home life.</p>
	<p><b><u>Danielle Riley – Local Authority</u></b>            I have been a Governor for 7 years and I have a son who went to St Luke's. I enjoy being able to give back to the school and help plan for our future. I am the Link Governor which oversees Governor training and development, I help maintain the website. As Chair of the Curriculum and Pupil Related Matters Committee, I am involved with the school curriculum, evaluating data and community events.</p>		<p><b><u>Robert Potter – Co-opted Governor</u></b>            Robert Potter – Co-opted Governor            I have worked in catering all my life, my hobbies include cycling, socialising, playing golf and watching motorsport. I have two children that attended St Luke's and are now at University of Liverpool and Colchester Sixth Form College, they both agree that they had a wonderful time at St Luke's. I have now been on the governing board for 8+ years, whilst enjoying every aspect of the role the highlight was joining the Cromer visits!</p>
	<p><b><u>Mike Bishop - Co-opted Governor</u></b>            I have served on the Governing Body since 2016. In my former role of Operations Shift Manager at Bradwell Power Station, I was heavily involved in Health and Safety. I am pleased to be able to share my knowledge and experience to help maintain a safe school environment for our staff and children. During this time, my two daughters have thrived and grown at St Luke's, with one now achieving high at secondary school. I am proud to be part of the proactive and enthusiastic team that has helped make this happen and I look forward to our school moving forwards from strength to strength.            My interests are family life, DIY, motorsport, classic cars and live music.</p>		<p><b><u>Vacant – Co-opted Governor</u></b></p>
	<p><b><u>Ian Moody – Parent Governor</u></b>            I have a diverse work history having trained as an aero engineer with Rolls Royce, worked in outdoor pursuits, hospitality and retail management before starting my own small building and property maintenance company 14 years ago.            I am married to a primary school teacher so am often seconded to help create resources and even helping on the occasional school trip. As a family we are lucky enough to have a motorhome which allows us to make the most of the school holidays and weekends exploring Britain and Europe and enjoying the great outdoors.            I hope as a parent governor I can represent the views and beliefs of those whose children attend St Luke's and offer support and advice to all those at the school working hard to give our children the best possible start in the world of education.</p>		<p><b><u>Suzanne Spall - Staff Governor</u></b>            Being a staff member gives me an added advantage to my role. I have worked at St Luke's for almost 21 years. I started as a volunteer in EYFS and I am now the Snr HLTA. I am married with three children, who all attended St Luke's and have very happy memories of their time here. I enjoy spending time with my family, walking my dogs and play an active part in Tiptree Artistic Roller Skating Club, where I have volunteered for over 20 years.</p>
	<p><b><u>Stuart Cairey- Parent Governor</u></b>            My daughter is currently making her way through St Luke's School and is very much enjoying her time in the school. As a governor, I have the opportunity to support the school and it is a role I am very much enjoying. Being a primary school teacher myself, I am very well aware of the inner workings of a school and how best to support the staff and the school in delivering their vision, keeping the standards high and ensuring our values are adhered to.</p>		<p><b><u>Zoe Emson-Sewell - Parent Governor</u></b>            Having worked as a teacher for over 20 years and currently as a Deputy Headteacher, I am pleased to be able to share my experience and knowledge as a Governor at St Luke's.            I have two boys currently at the school and am passionate about supporting the school in providing a broad and balanced curriculum for all children. As a Parent Governor, I look forward to supporting the school community in fulfilling their vision and maintaining high standards.</p>
	<p><b><u>Tom Scott - Parent Governor</u></b>            With my eldest having started the school this academic year and my youngest two years away, like many there's a long relationship ahead. It's important to me that a relationship is two way, and that the staff and school are supported to continue delivering the strong learning outcomes that I've witnessed within my own daughter.            I've always had a passion for education, but I took a different route leading me to Corporate Oversight. Working in the C-suite, my professional role focuses on governance, regulation, compliance and escalation for operational activities (IT, Change, Procurement, Property etc) for one of the largest Insurance Broker groups in the UK.            The Governor role is closely aligned to my professional role, linking governance, compliance, oversight, challenge but most importantly, support to the school and it's staff.            Outside of my professional life, I have a passion for photography, camping and all things technology.</p>
