### **Parental Survey 2025- SEND**

Thank you to the parents/carers who completed and returned the questionnaire, it is really appreciated and allows me to evaluate our processes. The results were pleasing, some examples are:

I know who to contact at the school if I want to discuss my child's needs	Strongly Agree 14 88%	Agree 2 12%
The SENCO and SEN team are approachable	Strongly Agree 14 88%	Agree 2 12%
The SENCO understands my child's strengths and needs	Strongly Agree 12 75%	Agree 4 25%

Areas to improve are:

\* Offering advice to parents/carers with how they can support their child at home: 69% strongly agree, 19% agree and 12% disagree.

*We already include 'how to support your child at home' on Personal Provision Plans (PPPs) which are updated during the termly parent/teacher meeting. We will also add this to Higher Level One Plans.*

\* The school's policy and website have information on SEND: 69% strongly agree, 25% agree and 6% partly agree.

*Please find a link below to the school website and the SEND area. This includes the annual report, up-to-date policies, intervention pyramids and SEND provision map. These are updated throughout the year.*

### **Fund Raising**

A group of girls in Year 4 have been busy making bracelets to sell in order to raise money for Great Ormond Street Hospital. They worked very hard over half term creating beautiful jewellery for the children to buy. Well done to Freya, Ava C, Ava N, Alyvia and Daisy. They raised £101.03!

### **Local Opportunities for the Children**

Information on [church events](#) and [local clubs and activities which are available to our children](#) are published on the school website. This now includes information on Colchester United's summer program of events.
