Dear Parents/Carers

The Governors and Senior Leadership Team at Tiptree St Luke's Primary School value the feedback of our school community to help us understand what is working well and where we can make improvements.

We would like to invite you to take part in the following parent survey, which will be open until **Friday 6th December 2024**.

The questionnaire is based upon the questions that Ofsted use when it conducts inspections as well as a few specific questions that help us to understand your wider views about the school and its processes.

From this feedback we can then review and develop how we can improve St Luke's Primary School for its community.

The survey is accessed on the following link:

You should be able to complete the survey from any computer, tablet or smartphone.

We look forward to hearing from you

Yours Sincerely

Stewart Eastbrook
Chair of Governors
